

Health & Wellbeing Clinic

About Us

We are a new service of "Behaviour Changed" Award winning Community Interest Company, Voice of Nations (VON) in Partnership with Little Angels Foundation (LAF) Charity, set up as a quality and ethical Health & Wellbeing Clinic that reflects our ethos and vision for the community. We are a service that understands and supports the fantastic care services of Liverpool City Region.

Our Mission is to enable all individuals and communities to access affordable and high quality healthcare and wellbeing services, providing the tools and support for living a healthy, fulfilling life.

Maybe you work in services caring for others or are just a busy mother short of finances and time.

Maybe you are an entrepreneur and need to release the tensions that are accumulated throughout the busy work week.

Maybe you are elderly and would relish some Tender Loving Care (TLC).

Whoever you are... We are here to assist you thrive in Optimal Health and Wellbeing!

- We intend to help as many people as possible with their physical and emotional health & well being.
- We aim to deliver our services to the people who need it most in the community we are based in, and in Liverpool as a whole.
- We will deliver first class and high quality professional services by highly passionate, experienced and trained professionals.

CARE GIVING SERVICES

Client groups referred to us will be received via a referral form from your service.

We totally respect confidentiality and data protection and all client base will be confidential. Your clients and staff remain under your organisation's auspices, we are only here to support and compliment the wonderful work that the services of Liverpool already do.

Any individual clients referred to the clinic on benefits and low incomes will have all treatments significantly reduced to an affordable rate.

We can also offer outreach services to accommodate specific needs on request, such as travel issues.

We will offer free regular treatments at allocated times for the severely disadvantaged (details available by request).

LA Health & Wellbeing Clinic actively supports the charity Little Angels Foundation (Written details of both charities available on request).
